

STEP AWAY FROM THE BULLET POINTS

Brian Housand brianhousand.com
& Lisa Van Gemert giftedguru.com

1. Meta Tips

See Books & Resources section at the end!

2. High tech your handouts

Add cool stuff to them like:

QR codes

Great site for creating them: qrstuff.com

Share them in cool ways like:

scribd.com

slideshare.net (use pdf to save fonts/formatting)

flipsnack.com (get the educator account to create little baby student accounts)

<https://drive.google.com>

Shorten links with bit.ly (account not required, but must have to customize and archive, so do it)

3. Text

40 = magic number

**“Use less,
gain more.”**
— John Maeda

from Presentation Zen

4. Typography

Identify Fonts here www.myfonts.com/WhatTheFont/

Find Fonts here www.fontsquirrel.com and here www.dafont.com

Take Your Typography Knowledge to a New Level bit.ly/learntypography

Scan this code to discover
Lisa's fave city in the whole
wide world!

5. Images

find good ones in all of these places...

pixabay.com

morguefile.com

freeimages.com

freerangestock.com (free side of Shutterstock.com – be sure to get their freebies, too)

pixelperfectdigital.com

play with them here:

www.picmonkey.com/ free image editing

bit.ly/pmtutorials (and lots of tutorials on youtube.com)

How to embed video into Keynote bit.ly/keynotevideo

How to embed video into PowerPoint bit.ly/pptvideoembed

Color contrast check for text/background bit.ly/contrastcheck

6. Platforms and Formats
