

# ZAP!

These are the ZAP! Board cards in color and black and white. I've included the game rules as well.

This set is for the sole use of purchasers of my book *Concept Capsules: The Interactive, Research-based Strategy for Teaching Academic Vocabulary*.

## TO PLAY:

- Divide class into teams of between three and five players.
- The teams take turns responding to clues about or questions.
- Correct answers earn a point, as well as the opportunity to pick a number off of the Zap! Board (or out of the stack of Zap! Cards).
- The student picks a number off of the Zap! Board and earns the value of points on the card drawn.
- If the card that says “ZAP!” is drawn, all points are lost.
- The object is to be the team with the most points once time is up or all of the numbers on the Zap! board have been drawn.
